

GROWING DEEPER:

Questions to dig deeper into this week's topic 

A LIFE LESS LONLEY:

MOVING FROM CONVENIENT TO CONNECTED

Act Now to Make a Change

1. Pastor Dion talked about how repent might not be the best English word to express the meaning of the Greek word, metanoia. Which of his alternate translations did you most connect with?
2. Speaking of metanoia, what parts of your life do you sense are leading you in a less-than-ideal direction?
3. Sometimes we think we are successfully doing life alone, but the reality is, we're not doing it alone, God is the wind at our backs. This is true even for those who aren't in relationship with him. Read Matthew 5:45. What does it say about the "self-made" man or woman?
4. Since you'll forget most of this week's message within 24 hours, what's one commitment or change you can make to begin to reorient your life around God's vision for your life?
5. God is NOT impatient. Even though change may be need in your life, he is patient with you. Take a moment to offer an anxiety you have to God and let his patient Spirit overwhelm yours.
