Questions to dig deeper into this week's topic 

## **THE ALL Y'ALL DOCTRINE**

### **Even the Samaritans?!**

1. What are some of the things you value most about your own, personal faith tradition, compared to other cultures or denominations?
2. Read Jesus' interaction with the Samaritan woman in John 4:1-42. If you were to talk with someone like her, what would make it easy or difficult for you to engage with her?
3. For all the obvious differences and difficulties between Jesus and the Samaritan woman, what positive outcome came out of their interaction? (If you need help, read John 4:39-42.)
4. Who are some people who are already in your life who differ from you, culturally or religiously? What are the most significant differences?
5. What opportunities can you be intentional to create to seek those people out, and express curiosity about their faith emphases and traditions?
